

Internal Medicine Grand Rounds

Texas Health Presbyterian Hospital Dallas, Fogelson Bldg., Haggard Hall, 8200 Walnut Hill Lane, Dallas, TX 75231

Noon – 1 p.m.

CARDIOLOGY

March 1, 2017

“Use of Echocardiography in the Management of Diastolic Heart Failure”

Miguel A. Quinones M.D., MACC, FASE

*Chair, Department of Cardiology, Houston Methodist Hospital – Houston, Texas
Professor of Medicine, Weill Cornell Medical College – New York, New York*

Objectives:

- Review basic concepts of diastolic function.
- Identify how echo/Doppler findings are used to assess LV relaxation and filling pressures.
 - Discuss how to use echo/Doppler findings in the management of patients.

March 8, 2017

“Department Meeting” (NO CME)

March 15, 2017

“Hypertrophic Cardiomyopathy: Update 2017” (Dr. Bob and Jean Smith Foundation Lectureship in Internal Medicine)

Mark S. Link, M.D.

*Professor of Medicine & Director, Cardiac Electrophysiology
Department of Internal Medicine, Division of Cardiology
UT Southwestern Medical Center – Dallas, Texas*

Objectives:

- Discuss the management of symptoms of heart failure including medications, alcohol septal ablation and surgical myectomy.
- Discuss the significance of HCM.
 - Review the indications for genetic testing in HCM.
 - Discuss atrial fibrillation management in HCM.
 - Discuss sudden cardiac death in HCM and prevention.

March 22, 2017

“Transcatheter Mitral Valve Repair”

James B. Park, M.D., FACC

*Medical Director of Heart & Vascular Service Line, Chair Accountable Clinical Management
Texas Health Presbyterian Hospital Dallas – Dallas, Texas*

Objectives:

- Discuss pathophysiology of mitral valve disease.
 - Identify techniques for percutaneous mitral valve repair.
- Review data regarding post repair effect on patients with heart failure and their readmission rates.

March 29, 2017

“Managing Lipids and Preventing Atherosclerosis in 2017 – New Strategies and New Drugs”

Anand K. Rohatgi, M.D., MScS

Associate Professor, Internal Medicine/Division of Cardiology, UT Southwestern Medical Center – Dallas, Texas

Objectives:

- Discuss the role of lipids and global risk assessment in atherosclerotic cardiovascular disease.
 - Review the use of advanced testing to refine risk estimation.
- Develop confidence in benefit/risk discussion of statin initiation and management of statin side-effects.
 - Discuss the role of PCSK9 inhibitors.

Target Audience: Internal medicine physicians, residents, physician assistants, nurse practitioners, nurses, allied health

Program Director: John Harper, M.D. – cardiologist, Texas Health Presbyterian Hospital Dallas – Dallas, Texas

Format: Didactic lecture with question and answer session

Accreditation: Texas Health Research & Education Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Texas Health Research & Education Institute designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Additional Information: For more information, please call 214-345-2322 or visit our website TexasHealth.org/CME.

Doctors on the medical staff practice independently and are not employees or agents of the hospital except resident doctors in the hospitals graduate medical education program.
