INFECTIOUS DISEASE GRAND ROUNDS

April 7, 2021

“HIV Criminalization: History, Hysteria, Media Stories, Politics and a Changing Science”

Abby Ann Lau, M.D.

Assistant Professor, Infectious Disease, UT Southwestern Medical Center – Dallas, Texas

Objectives:

- Discuss HIV criminalization and understand how it has been implemented in the United States.
 - Review the historical background behind HIV criminalization.
 - Discuss the arguments both for and against HIV criminalization.

April 14, 2021

“Public Health and Medicine: Experiences from Austin and Dallas”

Philip Huang, M.D, MPH

Director/Health Authority, Dallas County Health and Human Services Department (DCHHS)
Dallas, Texas

Objectives:

- Review multiple areas where public health and medicine intersect, and be familiar with real-world examples of the intersection of public health and medicine.
 - Identify when and how to contact their local health department for public health issues.

April 21, 2021

“Reducing Mortality from Sepsis:

Current Concepts, Controversies, and A Protocolized Improvement Plan”

Sonja Bartolome, M.D., FCCP

Associate Chief Quality Officer, Health System Affairs; Professor, Pulmonary and Critical Care Medicine
UT Southwestern Medical Center – Dallas, Texas

Objectives:

- Describe the history of sepsis treatment.
 - Discuss the current Sep-3 guidelines for sepsis treatment.
- Discuss a quality improvement plan to improve compliance with the sepsis bundle.

April 28, 2021

“Update on the COVID-19 Pandemic: Vaccines, Variants and Therapeutics”

James B. Cutrell, M.D.

Associate Professor, Department of Internal Medicine, UT Southwestern Medical Center – Dallas, Texas

Objectives:

- Apply the stage and severity of COVID-19 to identify evidence-based treatments.
 - List three of the most common SARS-CoV-2 variants and their impact on treatment and vaccine efficacy.
 - Describe the efficacy, safety and practical differences between the currently approved COVID-19 vaccines.

Doctors on the medical staff practice independently and are not employees or agents of the hospitals or Texas Health Resources except resident doctors in the hospital's graduate medical education program.

Target Audience: Internal medicine physicians, residents, physician assistants, nurse practitioners, nurses, allied health

Program Director: Allison Liddell, M.D. – Chief of the Department of Infectious Disease and Director of Infection Control, Texas Health Presbyterian Hospital Dallas – Dallas, Texas
Director of Infection Control, Texas Health Presbyterian Hospital Plano – Plano, Texas

Format: Didactic lecture with question and answer session

Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:

Physicians: The Texas Health Resources designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: 1 contact hour will be provided for nursing.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION
