

# Internal Medicine Grand Rounds

Texas Health Presbyterian Hospital Dallas, Fogelson Bldg., Hagggar Hall, 8200 Walnut Hill Lane, Dallas, TX 75231  
Noon – 1 p.m.

## PULMONARY

**July 4, 2018**

**\*\*Cancelled\*\* – 4<sup>th</sup> of July Holiday**

**July 11, 2018**

### **“Sarcoidosis – The Disease Nobody Doctor Wants”**

**Corey Kershaw, M.D.**

*Associate Professor, Internal Medicine, UT Southwestern Medical Center – Dallas, Texas*

#### **Objectives:**

- Identify the multiple possibilities in which a patient may present with pulmonary sarcoidosis.
- Evaluate a patient correctly in order to determine whether the patient’s sarcoidosis warrants treatment.
- Discuss the timing and proper utilization of advanced or later-line therapies for advancing/recalcitrant sarcoidosis.

**July 18, 2018**

### **“To be or not to be IPF/UIP: That is the Question”**

**Amy L. Olson, M.D., M.S.P.H.**

*Medical Director, Pulmonary Physiology Unit, National Jewish Health – Denver, Colorado*

*Assistant Professor, Department of Medicine, Division of Pulmonary Medicine, Interstitial Lung Disease Program, National Jewish Health – Denver, Colorado*

*Assistant Professor, Department of Medicine, Division of Pulmonary Sciences and Critical Care Medicine, University of Colorado – Denver, Colorado*

#### **Objectives:**

- Identify that not all usual interstitial pneumonia (UIP) patterns are idiopathic pulmonary fibrosis (IPF).
  - Recognize that unusual patterns of lung fibrosis might be IPF.

**July 25, 2018**

### **“Chronic Thromboembolic Pulmonary Hypertension: An update for 2018”**

**Sonja Bartolome, M.D.**

*Associate Professor, Internal Medicine, UT Southwestern Medical Center – Dallas, Texas*

#### **Objectives:**

- Identify the signs and symptoms of chronic thromboembolic pulmonary hypertension.
- Describe the diagnostic workup for chronic thromboembolic pulmonary hypertension.
- Discuss balloon pulmonary angioplasty and pulmonary thromboendarterectomy as definitive treatments for chronic thromboembolic pulmonary hypertension.
- Discuss medical management for chronic thromboembolic pulmonary hypertension.

**Target Audience:** Internal medicine physicians, residents, physician assistants, nurse practitioners, nurses, allied health

**Program Director:** Anita Holtz, M.D. – *pulmonologist, Texas Health Presbyterian Hospital Dallas – Dallas, Texas*

**Format:** Didactic lecture with question and answer session
