

The Gary Weinstein, M.D.  
Lectureship in Critical Care

July 7, 2021

### “New Data on the Brain and Outcomes from COVID”

E. Wesley Ely, M.D., MPH

Grant W. Liddle Chair in Medicine; Professor of Medicine, Division of Allergy Pulmonary and Critical Care Medicine - Vanderbilt University Medical Center  
Nashville, Tennessee

#### Objectives:

- Review outcomes of over 2,000 COVID ICU patients.
- Discuss long-term cognitive outcomes from COVID for the severe critical patients.
  - Identify and pave the way to best care.

July 14, 2021

### “Post COVID Lung Disease”

Fernando P. Torres, M.D.

Medical Director of Lung Transplantation  
Head of the Pulmonary Hypertension Program  
UT Southwestern Medical Center – Dallas, Texas

#### Objectives:

- Discuss the signs and symptoms of post-COVID lung disease.
- Review the radiographic patterns noted on these patients.
- Identify some of the inflammatory agents activated with this disease.

July 21, 2021

### “Approach to the Patient with Pulmonary Hypertension Due to Left Ventricular Dysfunction”

Elizabeth Hardin, M.D.

Assistant Professor, Department of Internal Medicine – Cardiology  
UT Southwestern Medical Center – Dallas, Texas

#### Objectives:

- Define pulmonary hypertension and distinguish between group 2 and others.
- Identify metrics to further classify group 2 pulmonary hypertension.
  - Review implications of group 2 pulmonary hypertension as it pertains to overall prognosis and heart transplant.
- Discuss medical management options for patients with pulmonary hypertension.

July 28, 2021

### “Transition of Care in Cystic Fibrosis (CF)”

Leah Cohen, M.D.

Assistant Professor, Department of Internal Medicine  
UT Southwestern Medical Center – Dallas, Texas

#### Objectives:

- Discuss the pulmonary and extra-pulmonary manifestations of CF.
  - Discuss the transition process from pediatric to adult care.
- Review the transition process to palliative care and lung transplantation.

Doctors on the medical staff practice independently and are not employees or agents of the hospitals or Texas Health Resources except resident doctors in the hospital's graduate medical education program.

**Target Audience:** Internal medicine physicians, residents, physician assistants, nurse practitioners, nurses, allied health

**Program Director:** Brad Raper, M.D. – pulmonologist, Southwest Pulmonology Associates, Texas Health Presbyterian Hospital Dallas – Dallas, Texas

**Format:** Didactic lecture with question and answer session

#### Accreditation:

In support of improving patient care, Texas Health Resources is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

#### Designation of Credit:

**Physicians:** The Texas Health Resources designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** 1 contact hour will be provided for nursing.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION
