

# Internal Medicine Grand Rounds

Texas Health Presbyterian Hospital Dallas, Fogelson Bldg., Haggard Hall, 8200 Walnut Hill Lane, Dallas, TX 75231  
Noon – 1 p.m.

## RHEUMATOLOGY

**August 7, 2019**

### “Systemic Lupus Erythematosus: Many Faces, One Disease”

**Bonnie Bermas, M.D.**

*Rheumatologist, UT Southwestern Medical Center – Dallas, Texas*

#### Objectives:

- Identify the many presentations of systemic lupus erythematosus.
- Discuss diagnosis and management of SLE- or think twice before ordering an ANA.

**August 14, 2019**

### “Update on the Diagnosis and Treatment of Spondyloarthropathies”

**Talat J. Keshgi, M.D.**

*Rheumatologist, Rheumatology Associates, Texas Health Presbyterian Hospital Dallas – Dallas, Texas*

#### Objectives:

- Differentiate chronic low back pain from inflammatory back pain.
  - Review diagnostic criteria for Spondyloarthropathies.
  - Identify various diseases that fall under this category.
    - Discuss new medications used to treat SpA.

**August 21, 2019**

### “Rheumatoid Arthritis Pathogenesis & Lessons Learned from Doughboy, Dogface and Grunt”

**Ted R. Mikuls, M.D., MSPH**

*Umbach Professor of Rheumatology, Vice Chair for Research – Omaha, Nebraska*

#### Objectives:

- Review the growing patient burden posed by rheumatoid arthritis (RA).
  - Discuss the interplay in genetic and environmental risk factors in the risk of RA development.
- Review the natural course of autoimmunity in RA development and the pathogenic roles of well characterized disease-related autoantibodies.

**August 28, 2019**

### “Immune Related Adverse Events From Cancer Immunotherapy: Challenges for the Non-Oncologist”

**Leonard H. Calabrese, D.O.**

*Professor of Medicine, Cleveland Clinic Lerner College of Medicine of Case Western Reserve University – Cleveland, Ohio*

#### Objectives:

- Identify the immunologic mechanisms which underlie cancer immunotherapeutic and their contribution to autoimmune adverse effects.
  - Discuss how to diagnose and assess the spectrum of irAEs across organ systems.
- Discuss how to work interprofessionally across medical subspecialties to provide optimal management of irAEs.

**Target Audience:** Internal medicine physicians, residents, physician assistants, nurse practitioners, nurses, allied health

**Program Director:** Stanley Cohen, M.D. – *rheumatologist & internist, Rheumatology Associates; Texas Health Presbyterian Hospital Dallas – Dallas, Texas*

**Format:** Didactic lecture with question and answer session

**Accreditation:** Texas Health Research & Education Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Texas Health Research & Education Institute designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Additional Information:** For more information, please call 214-345-2322 or visit our website [TexasHealth.org/CME](http://TexasHealth.org/CME).

*Doctors on the medical staff practice independently and are not employees or agents of the hospital or Texas Health Resources except resident doctors in the hospital's graduate medical education program.*
