12:00pm to 1:00pm*

The Research and Education Institute
for Texas Health Resources

August 29, 2008

“Putting Evidence Into Practice: Palliative Care”

Presented by:

Melanie Christina, MD

*Internist, Presbyterian Hospital of Dallas
Dallas, Texas*

Objectives:

Upon completion of this course the physician participant should be able to:

- Discuss the need for palliative care and be able to identify the right patient population for hospice.
- Discuss the principles of good pain management.
- Apply evidence-based medicine in the treatment of end of life symptoms.
- Acquire tools for communicating in difficult clinical scenarios.

Targeted Audience:

Physicians and IM Residents

Teaching Method:

Case Presentation with Question & Answer Session

The Research and Education Institute for Texas Health Resources is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Research and Education Institute for Texas Health Resources designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
