~~~~~  
**Target Audience:** UT Southwestern faculty, fellows, residents and medical students, community physicians, nurse clinicians, physician assistants and nurses.

**Purpose & Content:**

1. Designed to provide an ongoing forum about new developments in Internal Medicine.
2. Lecture with illustrative slides, detailed formal protocol with illustrations and extensive bibliography. A question and answer period is provided.
3. Facilitate interactions between various subspecialties of internal medicine and broaden understanding of changes in practice patterns in other subspecialties.

**Educational Objectives:** At the conclusion of this activity participants should be able to:

1. Discuss recent clinical and research advances in the various subspecialties of internal medicine.
2. Be knowledgeable about current treatment approaches.
3. Develop comprehensive plans for care of complex patients.

**Accreditation:** The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**Credit Designation:** The University of Texas Southwestern Medical Center designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Off-Label Uses:** Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be "off-label" use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is discussed.

**Conflict of Interest:** It is UT Southwestern's policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker's presentations. Each speaker has completed and signed a conflict of interest statement. The faculty members' relationships will be disclosed in the handout.
