|-------------------------------|---|
| Target Audience | UT Southwestern faculty, fellows, residents and medical students, community physicians, nurse clinicians, physician assistants and nurses. |
| Purpose & Content | <ol style="list-style-type: none"> 1. Designed to provide an ongoing forum about new developments in Internal Medicine. 2. Lecture with illustrative slides, detailed formal protocol with illustrations and extensive bibliography. A question and answer period is provided. 3. Facilitate interactions between various subspecialties of internal medicine and broaden understanding of changes in practice patterns in other subspecialties. |
| Educational Objectives | <p>At the conclusion of this activity participants should be able to:</p> <ol style="list-style-type: none"> 1. Discuss recent clinical and research advances in the various subspecialties of Internal Medicine. 2. Be knowledgeable about current treatment approaches. 3. Develop comprehensive plans for care of complex patients. |
| Accreditation | The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. |
| Credit Designation | The University of Texas Southwestern Medical Center designates this live activity for a maximum of <i>1 AMA PRA Category 1 Credit(s)™</i> . Physicians should claim only the credit commensurate with the extent of their participation in the activity. |
| Off-Label Uses | Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be "off-label" use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is discussed. |
| Conflict of Interest | It is UT Southwestern's policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker's presentations. Each speaker has completed and signed a conflict of interest statement. The faculty members' relationships will be disclosed in the handout. |
