Facilitate interactions between various subspecialties of internal medicine and broaden understanding of changes in practice patterns in other subspecialties.</li> </ol>
<b>Educational Objectives</b>	<p>At the conclusion of this activity participants should be able to:</p> <ol style="list-style-type: none"> <li>1. Discuss recent clinical and research advances in the various subspecialties of Internal Medicine.</li> <li>2. Be knowledgeable about current treatment approaches.</li> <li>3. Develop comprehensive plans for care of complex patients.</li> </ol>
<b>Accreditation</b>	The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
<b>Credit Designation</b>	The University of Texas Southwestern Medical Center designates this live activity for a maximum of <i>1 AMA PRA Category 1 Credit(s)™</i> . Physicians should claim only the credit commensurate with the extent of their participation in the activity.
<b>Off-Label Uses</b>	Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be "off-label" use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is discussed.
<b>Conflict of Interest</b>	It is UT Southwestern's policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker's presentations. Each speaker has completed and signed a conflict of interest statement. The faculty members' relationships will be disclosed in the handout.
