David Greenberg, M.D.
Associate Professor, Division of Infectious Diseases/Geographic Medicine & Microbiology
Distinguished Teaching Professor

Target Audience
UT Southwestern faculty, fellows, residents and medical students, community physicians, nurse clinicians, physician assistants and nurses.

Purpose & Content
1. Designed to provide an ongoing forum about new developments in Internal Medicine.
2. Lecture with illustrative slides, detailed formal protocol with illustrations and extensive bibliography. A question and answer period is provided.
3. Facilitate interactions between various subspecialties of internal medicine and broaden understanding of changes in practice patterns in other subspecialties.

Educational Objectives
At the conclusion of this activity participants should be able to:
1. Discuss recent clinical and research advances in the various subspecialties of Internal Medicine.
2. Be knowledgeable about current treatment approaches.
3. Develop comprehensive plans for care of complex patients.

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Off-Label Uses
Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is discussed.

Conflict of Interest
It is UT Southwestern’s policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker’s presentations. Each speaker has completed and signed a conflict of interest statement. The faculty members’ relationships will be disclosed in the handout.
