# Sidebar Reports

Sidebar reports allow you to keep information open at all times  
Reports can be selected from the TOC report

The screenshot displays a medical software interface with a sidebar report open. The main window shows the patient's admission details and a 'History & Physical' report. The sidebar report is titled 'Patient Summary' and contains a table of reports under the 'Data and Results' section. The sidebar is currently open, showing a list of reports. Annotations include a box labeled 'Sidebar' pointing to the sidebar area and another box labeled 'Click the arrow to open the Sidebar' pointing to a small arrow icon on the right side of the sidebar.
